RE: Water Right Change in Ownership No(s): 92-7088

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). The Notice could not be processed at this time because the deeds supplied did not connect back to the last known water right holder on file.

In order to proceed with the Notice, please provide the deeds that connect you to "PHILLIP R ROBINSON & BETTY J ROBINSON".

Because the Department cannot process the Notice without the additional deeds, we will hold any action on your Notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days of the date of this letter, we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,

Natalie Steading
