AMENDED NOTICE OF HEARING

On May 25, 2023, Ronald E. Byers filed Applications for Permit 74-16468 and 74-16469 with the Idaho Department of Water Resources (“department”). A protest was filed against each application by Rohn and Lori Nelson. An informal settlement conference was held on October 3, 2023. A prehearing conference was held on December 5, 2023.

The parties have requested that an administrative hearing be held to decide these protested matters. Pursuant to Rule 555 of the Department’s Rules of Procedure (IDAPA 37.01.01), these applications have been consolidated for hearing. The department originally scheduled these consolidated applications for hearing to be held at the Idaho Department of Fish and Game office in Salmon. The applicant requested that the department hold the hearing by video conference. Upon confirmation of support from the protestant, the department has decided to change the venue for the hearing. The date and time remain the same.

The department has scheduled these consolidated applications for hearing on **April 11, 2024, beginning at 9:00 am**
