Application for ☐ Transfer ☒ Permit ☐ Amendment of Permit No. 74-16468

In the Name of Ronald E. Byers
Applicant

Name of Protestant: Rohn & Lori Nelson

Represented by: Not Applicable

I hereby withdraw my protest to the above referenced matter. All of my issues of protest have been addressed and/or resolved.

☐ My withdrawal is not conditional.

Or

☒ My withdrawal is conditioned on the following:

1. That IDWR corrects the Point of Diversion location description and identify the source stream.
~~The original, superseded, application describes the Point of Diversion as LWMP1 Old Location.~~
~~The amended application lists the Point of Diversion as Wimpey Creek.~~
~~The map attached to the application depicts the Point of Diversion in the LWMP1 irrigation ditch, where it enters Ronald E. Byers' property.~~
~~The LWMP1 irrigation ditch is not a source stream.~~

3. That IDWR determine which channel(s) is/are a braided channel of Wimpey Creek, and which channel(s) is/are man made/modified irrigation ditches.

~~4. That IDWR specifically identify, and depict, on the map, the actual point at which irrigation water is removed from Wimpey Creek. Mr. Byers has indicated that he pumps irrigation water directly out of Wimpey Creek, utilizing a pump irrigation system.~~
