Rob,

I'm fine with bumping it. It would work better for me to bump it to the first week of August. I could do it August 3 anytime, Aug 4 anytime but 10 AM, Aug 5 10:30 or after, Aug 6 anytime.

All:

Tomorrow at 9:00 a.m. we have a prehearing conference on LCSC's Transfer No. 82434. One of the water rights subject to the transfer is 94 acres that LCSC is working to have annexed into the ASCC service area as it was originally within that service area, but due to what appears to be an error, it was removed. Before we move forward with the transfer, we are waiting for ASCC to amend their service area to fix this issue and other boundary issues. To date, no action has been taken by ASCC, and we do not believe it makes sense to move forward with this transfer unless and until ASCC takes action on the boundary issue. For that reason, I suggest that we schedule another prehearing conference 60 days from now (last week of July) as I don't think it makes sense to move forward on the transfer without some action by ASCC.

Let me know if the above is acceptable. If not, we can go forward with the prehearing, and can discuss further at the prehearing. I am simply trying to save everyone time rather than appear by phone at the prehearing.

Thanks,
