Hi James

Please find attached the ESPA combined impact analysis and report including the amended/combined transfers for LCSC Enterprises related to water rights 35-2824 and 35-7274. The amendment is primarily to authorize the rights for use within a common permissible place of use on property owned by LCSC. You should receive the hard copy in the mail this week.

Let me know if you have any questions or need any additional information.

Thanks,

Jason C. Helms, P.E.
