Dear Water Right Holder:

I have added the attached map to the transfer approval documents for Transfer 88649. The map shows the place of use for the recreation storage component of Water Right No. 27-41. This shape and the legal description of the place of use may not immediately be reflected in the Department's database due to technical issues. If you have any questions, please contact our office at (208) 525-7161.

Sincerely,
