Dear IDWR;

We are writing to protest the water right transfer that Pancheri Inc. has filed for TRANSFER NO. 89297. We feel that by putting that water in the pipeline , it will not leave enough water in the river to carry our water down to where we can receive it for our use. In the past it has been hard for us to get our water delivered as it is.

Pancheri Inc. is in control of enough of the water here in the valley that it is pretty devastating to the rest of the people who live here.

Please find enclosed our 25.00 protest fee, thank you,

Dean and Marcheta Mays
