Woodie Land and Livestock, a senior water right holder on Little Lost River, is filing this notice of protest of proposed water transfer number 89297.

This protest is being filed because it is unclear of the extent of injury the proposed water transfer number 89297 will impose to water right holders in district 33. The Little Lost River is the source for many adjudicated water users that depend on this flow. Four of those water users are 1879 senior water right holders which are below this proposed transfer. This transfer will reduce the flow of water and injure the existing water rights.
