

MEMORANDUM

Date: September 9, 2024
To: Transfer 89309
From: Christian Stewart
Re: Review & Evaluation of Sufficiency of Information

This transfer proposes a place of use change to better reflect the shape of the area that has been historically irrigated.

Authority to File: The applicant, Labrouche Ag and Livestock LLC, is the owner of record for water right 29-2374. Tiffany Labrouche is a member of Labrouche Ag and Livestock LLC per the Idaho Secretary of State. The applicant owns the proposed and current place of use. Water right 29-2374 is in an application for WSB lease starting 01/01/2025 but is not currently being leased.

Water Right Validity: Water right 29-2374 was decreed on 3/22/2004 by the SRBA court. Aerial imagery at the place of use shows irrigation of the place of use from 2019 to 2024 and also in 2006 imagery.

Injury to Other Water Rights: No injury issues identified, only the place of use is being modified.

Enlargement of Use: No enlargement issues identified, the place of use is being changed to better reflect the shape of historical irrigation area. The place of use is not stacked with other water rights.

Local Public Interest: No issues identified.

Beneficial Use and Conservation of Water Resources: No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
