RE: Change in Ownership Water Right No. 13-29

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership on April 17, 2023, for the above-mentioned water rights. The Notice could not be processed because the department does not have sufficient evidence to split the water right. The original decree is very vague leaving a lot of ambiguity in the location of the place of use of the water right. To clean up any ambiguity in the water right, the department suggests you file a Notice of Claim in the BRBA.

Because the department is returning your application you are entitled to a full refund. The department has initiated the refund and it should arrive from the state office in a couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
