which shall not be unreasonably withheld. All insurance policies must provide that Lender will get a minimum of 10 days notice prior to cancellation. At Lender's discretion, Grantor may be required to produce receipts of paid premiums and renewal policies. If Grantor fails to obtain the required coverage, Lender may obtain insurance coverage at Grantor's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but may or may not protect Grantor, Grantor's equity in the Property, or the contents of the Property against any risk, hazard, or liability. Grantor acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Grantor could have obtained. Any amounts disbursed by Lender in obtaining insurance coverage shall become additional debt of Grantor under this Security Instrument and shall be secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Grantor requesting payment. Grantor hereby directs each and every insurer of the Property to make payment of loss to Lender with the proceeds to be applied, only at Lender's option, to the repair and replacement of the damage or loss or to be applied to the Indebtedness with the surplus, if any, to be paid by Lender to Grantor.

Payment of Taxes and Other Applicable Charges. Grantor promises to pay and to discharge liens, encumbrances, taxes, assessments, lease payments and any other charges relating to the Property when levied or assessed against Grantor or the Property.

Environmental Laws and Hazardous or Toxic Materials. Grantor and every tenant have been, are presently and shall continue to be in strict compliance with any applicable local, state and federal environmental laws and regulations. Further, neither Grantor nor any tenant shall manufacture, store, handle, discharge or dispose of hazardous or toxic materials as may be defined by any state or federal law on the Property, except to the extent the existence of such materials has been presently disclosed in writing to Lender. Grantor will immediately notify Lender in writing of any assertion or claim made by any party as to the possible violation of applicable state and federal environmental laws including the location of any hazardous or toxic materials on or about the Property. Grantor indemnifies and holds Lender harmless from, without limitation, any liability or expense of whatsoever nature incurred directly or indirectly out of or in connection with: (a) any environmental laws affecting all or any part of the Property or Grantor; (b) the past, present or future existence of any hazardous materials in, on, under, about, or emanating from or passing through the Property or any part thereof or any property adjacent thereto; (c) any past, present or future hazardous activity at or in connection with the Property or any part thereof; and (d) the noncompliance by Grantor or Grantor's failure to comply fully and timely with environmental laws.

Financial Information. Grantor agrees to supply Lender such financial and other information concerning its affairs and the status of any of its assets as Lender, from time to time, may reasonably request. Grantor further agrees to permit Lender to verify accounts as well as to inspect, copy and to examine the books, records, and files of Grantor.

Lender's Right to Enter. Lender or Lender's agents shall have the right and access to inspect the Property at all reasonable times in order to attend to Lender's interests and ensure compliance with the terms of this Security Instrument. If the Property, or any part thereof, shall require inspection, repair or maintenance which Grantor has failed to provide, Lender, after reasonable notice, may enter upon the Property to effect such obligation; and the cost thereof shall be added to the Indebtedness and paid on Lender's demand by Grantor.

ASSIGNMENT OF LEASES AND RENTS. As additional security for the payment of the Indebtedness and the performance of the covenants contained herein, Grantor hereby assigns and transfers over to Lender any present or future leases, subleases, or licenses of the Property, including any guaranties, extensions, amendments, or renewals thereof, and all rents, income, royalties, and profits derived from the use of the Property or any portion of it, whether due or to become due (collectively the "Rents"). So long as Grantor is not in default, Grantor may receive, collect and enjoy all Rents accruing from the Property, but not more than one month in advance of the due date. Lender may also require Grantor, tenant and any other user of the Property to make payments of Rents directly to Lender. However, by receiving any such payments, Lender is not, and shall not be considered, an agent for any party or entity. Any amounts collected may, at Lender's sole discretion, be applied to protect Lender's

and, if permitted by state law, is authorized and empowered to cause the Property to be sold at public auction, and to execute and deliver to the purchaser or purchasers at such sale any deeds of conveyance good and sufficient at law, pursuant to the statute in such case made and provided, and out of the proceeds of the sale to retain the sums then due hereunder and all costs and charges of the sale, including attorneys' fees, rendering any surplus to the party or parties entitled to it. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made in it. If Lender chooses to invoke the power of sale, Lender or Trustee will provide notice of sale pursuant to applicable law. Any such sale or a sale made pursuant to a judgment or a decree for the foreclosure hereof may, at the option of Lender, be made en masse. The commencement of proceedings to foreclose this Security Instrument in any manner authorized by law shall be deemed as exercise of the above option.

Upon the occurrence of an Event of Default, Lender shall immediately be entitled to make application for and obtain the appointment of a receiver for the Property and of the earnings, income, issue and profits of it, with the powers as the court making the appointments confers. Grantor hereby irrevocably consents to such appointment and waives notice of any application therefor.

The parties agree that the remedies available may be inadequate compensation for any loss. Therefore, to the extent allowed by applicable law, in Lender's sole discretion, Lender may seek specific performance of any promise, obligation, or covenant contained in this Security Instrument. Any defense in any action for specific performance that the remedy at law would be adequate is waived.

To the extent allowed by law, all of Lender's rights and remedies, however evidenced and from whichever source they derive, are cumulative in nature. Lender is entitled to exercise any remedy in any order it determines appropriate. Lender may exercise remedies singularly or concurrently.

NO WAIVER. No delay or failure of Lender to exercise any right, remedy, power or privilege hereunder shall affect that right, remedy, power or privilege nor shall any single or partial exercise thereof preclude the exercise of any right, remedy, power or privilege. No Lender delay or failure to demand strict adherence to the terms of this Security Instrument shall be deemed to constitute a course of conduct inconsistent with Lender's right at any time, before or after an event of default, to demand strict adherence to the terms of this Security Instrument and the Related Documents.

SUBSTITUTE TRUSTEE. Lender may, for any reason or cause, from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

JOINT AND SEVERAL LIABILITY. The liability of all parties obligated in any manner under this Security Instrument shall be joint and several, to the extent of their respective obligations.

SURVIVAL. Lender's rights in this Security Instrument will continue in its successors and assigns. This Security Instrument is binding on all heirs, executors, administrators, assigns, and successors of Grantor.

NOTICES. Unless otherwise required by applicable law or provided under this Security Instrument, any notice or demand given by Lender to any party is considered effective when: (i) it is deposited in the United States Mail with the appropriate postage; (ii) when it is sent via electronic mail; (iii) when it is sent via facsimile; (iv) when it is deposited with a nationally recognized overnight courier service; (v) on the day of personal delivery; or (vi) any other commercially reasonable means. Such notice or demand shall be sent to the party at the address contained herein or at an alternative address, e-mail address, or facsimile number as may be provided to Lender in writing. Any notice given to Lender must be addressed to Lender at the address contained herein or at an alternative address as may be provided by Lender in writing.

GENERAL WAIVERS. Grantor, to the extent permitted by law, hereby waives (a) notice of acceptance of this Security Instrument, and all notice of the creation, extension of, or accrual of any of the Indebtedness; (b) diligence, presentment, protest, demand for payment, notice of dishonor, notice of intent to accelerate, and notice of acceleration in connection with the Indebtedness or any other obligations now existing or hereafter owing which are secured by this Security Instrument; (c) any requirement that Lender proceed against or pursue any other collateral securing or any other party responsible for some or all of the Indebtedness; (d) any requirement that Lender pursue or exhaust any other remedy available to Lender; (e) any right to request that Lender marshal any other collateral; (f) failure to protect, preserve, or resort to any collateral; and (g) any and all defenses that could be asserted by Grantor, including, but not limited to, any defenses arising out of failure of consideration,

RE: Notice of Security Interest for Water Right/Permit No(s): 35-8106

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.
