Re: Change in Ownership for Water Right No(s): 35-14744

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Sincerely,

Jonie Baily

Re: Notice of Change in Ownership of WR 35-14744

Dear Jonie:

Enclosed for processing is a Notice of Change in Water Right Ownership of WR 35-14744. You will note that the Special Warranty Deed conveying the water right to the new owner indicates that it is for WR 35-2604. WR 35-2604 is the parent right of WR 35-14744. Subsequent to Natural Guardian acquiring its ownership interest in a portion of WR 35-2604, the remaining portions were split off and transferred. The portion of WR 35-2604 that Natural Guardian acquired was renumbered to WR 35-14744.

If you have any questions or need any additional information, do not hesitate to contact me.

Best regards,

Luke H. Marchant
