RE: Change in Ownership Water Right No. 22-4044

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Filing Fee:** Please review the map attached according to the information received the property purchased in only in Section 28, however the water right covers ground in Section 29. According to the parcel data available the current owner of the property in Section 29 is Julia Boyle. If you believe you do own the entire place of use, please supply evidence of ownership for that property. If you believe a split is required please supply the additional filing fee the fee for a split ownership change is \$100.00 per water right. The department acknowledges receipt of \$25.00, therefore an additional \$75.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
