RE: Change in Address for Water Right: 65-22886

Dear Water Right Holder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing the address for MARCUS R HAGENAH for the above referenced water right. The Department has modified its records to reflect this change in address and has enclosed a computer-generated report for your records.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department **or** on the Department's website.

If you have any questions regarding this matter, please contact our office, (208) 334-2190.

Sincerely,

Susy Hobson
Technical Records Specialist

Conditions of Approval:

1. X01 Domestic use is for external use for 1 home.
2. X59 Point of diversion and place of use are located within Lot 9, Blk. 3, Scenic Properties Subdivision No. 3.
3. Property is located within Homestead Entry Survey (HES) No. 336.
4. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 65.
5. 01P Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
6. WB9 Water shall not be diverted under this right when flows in the Payette River are below established minimum flow amounts.
7. 103 When ordered by the Director, the right holder shall provide mitigation

Proof Report

acceptable to the Director to offset depletion of lower Snake River flows needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right. Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined.
