water right 75-27D was split into 75-27D and 75-15066.

An aerial photograph overlaid with a yellow grid representing Section 36 of the Township and Range system. The grid is divided into four quadrants by a red vertical line and a blue horizontal line. Various land parcels are labeled with their section identifiers: SWNE, SESE, NENE, NWNE, SENE, SWNW, SENW, NESW, NWSW, and NESE. Numbers 6, 7, and 12 are visible in different sections. Two specific areas are highlighted: a large rectangular area in the center-right quadrant is shaded blue with diagonal lines, and a smaller irregularly shaped area in the bottom-left quadrant is shaded pink with diagonal lines. Both highlighted areas have the number '201225' written in red. A purple dot is located in the bottom-right quadrant near the intersection of the red and blue lines. A winding road or path runs through the left side of the image. The background shows green fields, some buildings, and a river or stream.
