SUBJECT: Rejection of Claim

Dear claimants,

The Idaho Department of Water Resources (IDWR) received your Bear River Basin Adjudication (BRBA) water right claim. We are rejecting and returning your adjudication claim for the following reasons.

The claim you submitted is completed on the wrong claim form. The form you submitted is for Domestic and Stockwater purposes, not Irrigation. Also, a claim for Irrigation use requires a map detailing the Point of Diversion, irrigated acres, and diversion works system. Lastly, #4 on the claim form is not completed and requires the complete legal description.

Enclosed is the appropriate claim form for Irrigation use. Please complete and submit the form and payment to 325 East 600 South, Suite 300, Preston, ID 83263. If you have any questions regarding this rejection or would like assistance completing the form, feel free to contact me. My telephone number is (208) 701-7200 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Rights Supervisor
