Hi Marion,

You spoke to my mom, Rozanne Hobbs yesterday in regards to our water right 11-7036. She wanted to add pictures of the water right. In looking at it we discovered that the point of diversion is incorrect in the Idaho Water Right Parcel Map photos. I have sent you some correct photos. The first photo named Cabin Water Picture shows the Idaho Parcel Map with the correct point of diversion, and the incorrect point of diversion. Cabin picture #2 gives you the correct POD with GPS coordinates. Cabin Picture #3 gives you the mark for the correct POD and the Diversion property shown under my mom's name. Please attach the correct pictures to our water right. If you need any further information please contact me. My email address is Hobbsjands@yahoo.com or I can be reached at 208-220-0603. Thank you so much for you time! We appreciate it very much! Sincerely, Sarah Hobbs
