Greg,

In the 1st Mountain View Land, LLC (transfer #89194), you list 22.92 cfs as the transfer rate. Based on simple math, I believe the total transfer rate should be 21.30 cfs.

In the 2nd Mountain View Land, LLC (transfer #89195), you list 17.07 cfs as the transfer rate. Based on the combined limits of these two stacked groups, I believe the actual transfer rate should be 16.16 cfs.

Could you look at these rates and let me know if you concur?

Thanks,

Brockway Engineering , PLLC filed two transfers along with ownership changes/security interests and paid under receipt S040279 (check #18093). The transfers were amended and as a result the total flow rate was reduced. \$2,330.00 was originally paid for transfer #89194 for 23.22 cfs. The amended transfer is now for 21.30 cfs making the filing fee \$2,100.00, therefore, we owe them a refund of \$230.00 for that transfer. \$1940.00 was originally paid for transfer #89195 for 18.34 cfs. The amended transfer is now for 16.16 cfs making the filing fee \$1780.00, therefore we owe them a refund of \$160.00 for that transfer. Please refund Brockway Engineering, PLLC \$390.00 dollars for overpayment under receipt S040279 (check #18093) for overpayment of both transfers. A copy of the receipt is attached.

Re: Mountain View Land

Dear Mr. Skinner:

Mountain View Land is submitting two transfer applications that must be processed simultaneously. The two transfers propose to move two groups of water rights equaling 1,085.5 acres. The two transfers will be offsetting transfers to one another.

The 1st transfer will be moving 1,085.5 acres from a group of water rights that allows 4,382.7 acre of irrigation and create a new permissible place of use of 1,383.5 acres. The allowed acres to be irrigated within this new PPU will be 1,085.5 acres.

The 2nd transfer will be moving 1,086.4 acres into the existing 4,382.7 acre farm. The allowed acres to be irrigated within this farm will remain 4,382.7 acres.

The ESPA Transfer Analysis tool calculated that no mitigation is required for these two transfers.

The beneficial use and period of use will not be changing with these transfers. Processing fees have already been paid to IDWR.

Please contact me if you have any questions.

Sincerely,

Greg Sullivan, M.S., Engineer
