RE: Change in Ownership
Water Rights: 29-13267, 29-13268, 29-13269

Dear Sir/Madam:

On February 9, 2023, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership and/or additional filing fee. On February 10, 2023, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the request. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. We are therefore returning your original ownership change.

Please feel free to re-file your change in ownership any time in the future. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the Assignment.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

Jonie Baily

RE: Change in Ownership Water Right No. 29-13267, 29-13268, 29-13269

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing fee:** Filing fee for a non-split ownership change is \$25.00 per water right. The filing fee for an ownership change resulting in a division of the water right is \$100.00 per water right. The department did not receive any filing fee with your application. According to our review water right number 29-13268 will result in a division of the water right and water right numbers 29-13267 and 29-13268 will not be split therefore the total filing fee will be \$150.00. ($1 \times 100 = 100 + 2 \times 25 = 50$). Please review the map attached with our analysis of the legal descriptions attached to your application to verify the property is correct.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
