RE: Change in Ownership Water Right No. 31-2413c, 34-7078A, 31-74101A

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The deed received only covers a portion of the place of use of the water right listed above, please supply the deed the covers the rest of the place of use of the water right. The property listed on the deed only covers a portion of the place of use in Section 5 and Section 1. According to the parcel data you do own the property we just need a copy of the deeds. You contacted our office, so I thought I would send maps and additional information so you can see what parcels are needed. I know you indicated you have been busy so I will hold your application for 60 days. I did look at the Jefferson County parcel map, it lists deed numbers as follows: 330842, 329280 for the property in Section 1 and 292592, 292591 for property in section 5. I cannot verify those are the correct deeds but that is what is listed on the county parcel viewer. I have attached a map missing property outlined in purple and proof reports (highlighted the portion of the place of use missing).

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 60 days we will return your notice and all attachments and your notice will not be processed.

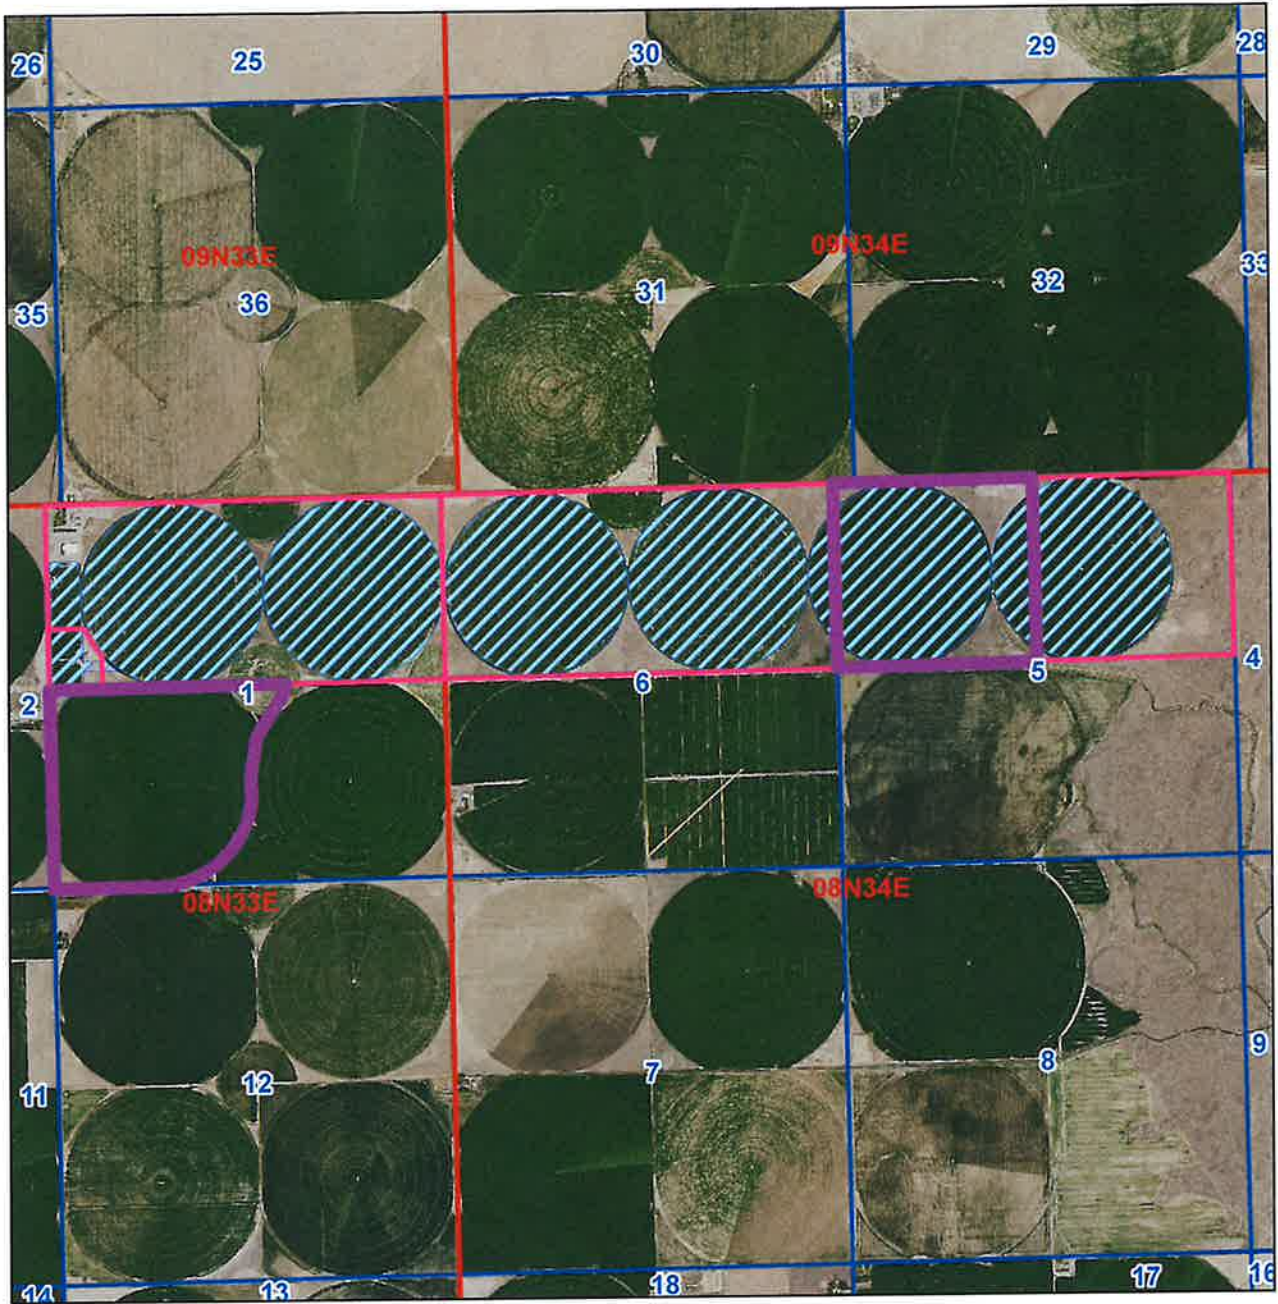

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist

Idaho Department of Water Resources
