Ms. Beck -

Happy Holidays :)

The Paris Relief Canal Co. and Pioneer Irrigation and Manufacturing operate jointly, sharing a board, infrastructure and service area. Attached are claims for both companies, GIS data for the convenience of IDWR reviewers, and a scanned copy of the transmittal materials that will be mailed with checks for fees. The transmittal materials include copies of the approved filing extensions for the companies.

Because of the holidays, the checks and accompanying materials may not be mailed until next week.

Please call me or Kristin Moore if there are questions.

Thanks,

Bryce
