REAL ESTATE PURCHASE AND SALE AGREEMENT
BASECAMP LLC/IDAHO BASECAMP INC.
(BASECAMP, 4921 Trail Creek Road, Custer County, Idaho)

THIS AGREEMENT is made effective January 27, 2015, by and between BASECAMP LLC ("Seller"), and IDAHO BASECAMP INC. ("Purchaser").

1. SALE. Seller, for and in consideration of the payments to be made and the covenants and conditions to be kept and performed by Purchaser, contracts and agrees to sell and convey to Purchaser, and Purchaser agrees to purchase from Seller, real property, located at BASECAMP, 4921 Trail Creek Road, Custer County, Idaho (referred to as the "Property"), legally described as follows:

SEE ATTACHED EXHIBIT "A".

2. PURCHASE PRICE. The total purchase price of the Property shall be \$153,000. \$100,000 of the Purchase Price is being credited by the Seller to Purchaser. As a result, on or before Closing, as that term is defined below, Purchaser shall deliver \$53,000 to the Closing Agent, also set out below, in cash or certified funds.

3. TITLE; WARRANTY DEED. Seller shall transfer title to the Property by Warranty Deed. The parties agree that this Agreement is contingent on title to the Property at Closing being marketable and insurable except for rights reserved in federal patents, state or railroad deeds, building or use restrictions currently of record, building and zoning regulations and ordinances of any governmental unit, and rights of way and easements of record. As a result, the parties also agree that this Agreement is contingent on title to the Property at Closing being free and clear of all claims, liens, mortgages and encumbrances, except taxes and assessments for the current year, easements and rights-of-way of public record.

4. TITLE INSURANCE. At Purchaser's sole election, Purchaser shall pay Closing Agent the premium for a Standard Owner's Title Insurance Policy insuring title to the Property in Purchaser's name for the amount of the purchase price, above, showing marketable and insurable title subject only to the exceptions contained in the title insurance company's standard policy and to other exceptions allowed under paragraph 3. Seller shall furnish to Purchaser a Commitment for Title Insurance Policy showing the condition of the title to the Property. The parties shall have until the Closing to object in writing to the condition of title to the Property as set forth in the report. If the parties do not object within such period, Purchaser shall be deemed to have accepted the condition of title. If the either party delivers notice containing a written statement of objections to the condition of title to the other party and the title of the Property is not marketable, Seller shall have until Closing to attempt to correct such objections to the condition of title. If Seller fails or is unable to correct such objections, Purchaser may at its sole option receive a return of the purchase price paid as described in Paragraph 2.

5. CLOSING. The Closing shall take place at the offices of John A. Seiller, Attorney at Law, PLLC, the Closing Agent, in Ketchum, Idaho, as soon as practicable after both parties sign the Agreement, or sooner upon mutual agreement. At Closing, Seller shall execute

and deliver to the Closing Agent a Warranty Deed. The Closing Agent shall pay the purchase price received from Purchaser to Seller. The Closing Agent shall record the Warranty Deed in the records of Custer County, Idaho. Purchaser shall each pay at the time of Closing one half the Closing Agent's fee and the costs of recording the Warranty Deed and any other amounts contemplated by this Agreement necessary for Closing.

6. POSSESSION AND PRORATIONS AT CLOSING. At Closing, Seller shall deliver and Purchaser shall obtain free and absolute right to possession of the Property. Prior to or at Closing, Seller shall pay or have paid costs, amounts and fees arising out of the ownership or possession of the Property, including, but not limited to assessments for limited improvement districts, utilities, and estimated property taxes based only upon current tax rates and the current assessed value, as determined by the Custer County Assessor. Purchaser shall pay all costs, amounts and fees arising out of the ownership or possession of the Property after Purchaser takes possession.

7. DEFAULT; REMEDIES. If Closing does not occur in the manner and within the time provided, then the parties shall have the following remedies:

a. If due to a default of Seller, Purchaser shall only be entitled to the prompt return of all monies and documents delivered to the Seller or the Closing Agent;

b. If the Purchaser defaults in the performance of this Agreement, Seller shall make demand in writing upon the Closing Agent upon which demand the Closing Agent shall pay from the earnest money the costs incurred by or on behalf of Seller and Purchaser related to the transaction as set forth herein and the Closing Agent shall pay any balance of the money to the Seller. Seller and Purchaser acknowledge and agree that acceptance of the amounts described above as liquidated damages shall be Seller's sole and exclusive remedy and Seller shall not be entitled to any other remedy available under the laws of the State of Idaho. Seller and Purchaser further agree that liquidated damages are appropriate in the event of Purchaser's default, for the following reasons, including, without limitation, that the amount of Seller's damages in the event of Purchaser's default would be difficult, if not impossible, to determine at the time of entering into the Agreement, but the parties agree that these damages would reasonably approximate Seller's damages in the event of Purchaser's breach.

8. DISCLAIMER. PURCHASER ACKNOWLEDGES AND AGREES PURCHASER IS PURCHASING THE PROPERTY "AS IS" AND THAT SELLER DISCLAIMS ALL WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF HABITABILITY. Seller and Seller's agents have made no representations of any material fact concerning the physical condition of the Property except as contained in this Agreement; Purchaser is not relying upon any oral or written statements or representations of Seller, or its agents, other than those written representations and statements contained or incorporated into this Agreement when determining whether to purchase the Property.

k. Multiple Counterparts and Signatures. Purchaser and Seller may execute this Agreement in multiple counterparts. All multiple counterparts shall be regarded as duplicate originals, each combining to form one original Agreement. An executed version of this Agreement or any document pertinent to this Agreement, which has been signed and transmitted by facsimile or other electronic or mechanical means shall be deemed an original.

l. Other Documents. The parties agree to execute and deliver such other documents as may be necessary or desirable to carry out the purpose of this Agreement.

m. Time of the Essence. Time and timely performance is of the essence of this Agreement.

n. Notice. Any notice to be given or other documents to be delivered to either party by the other hereunder may be delivered in person or may be mailed, duly registered or certified, return receipt requested, with postage prepaid to the address on file with the Idaho Secretary of State. Each party may, from time to time, by written notice to the other, designate a different address which shall be substituted for the one specified above. If any notice or other document shall be sent by certified mail it shall be deemed to have been effectively served or delivered at the time of mailing.

o. Gender. As used in this Agreement, in reference to the parties, the singular shall include the plural and the masculine shall also refer to the feminine or neuter where applicable.

p. Risk of Loss. Prior to Closing, all risk of loss shall remain with Seller.

q. Representation by counsel. The parties acknowledge and agree attorney John Seiller has represented only Seller in the preparation of this Agreement.

The parties sign and execute this Agreement to be effective the date of this Agreement.

Re: Change in Ownership for Water Right No(s): 34-10893

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
Technical Records Specialist 1

IDWR

Please find our application for transferring water rights at our nature campus in Mackay ID.

We have provided One form 42-248 Notice of change of water right ownership. This is from original owner to our Nonprofit. However this property had changed hands four times prior to our current possession.

Idaho Basecamp has submitted along with the application, all four transfer documents from various individuals to show the 'paper trail' of ownership.

If we need to fill out FOUR versions of Form 42-248 that changes the rights four times please let us know. Once the change has been processed our team would like to speak with IDWR representative to understand what the rights mean and what amount (CFM) of water we can use on the nature campus.

When originally purchased the property had a small well and one out building. IBC has a master plan to develop the area with more kitchens, bathrooms and lodging. With that in mind we will need to know if the Water Rights will be sufficient for that type of build out.

If you have any questions please call: 208-720-1822

Thank you,

Mathew Gershater
