Subject: Transfer No. 79307, BRBA Claim No. 11-7929

Dear Mr. Fjeldsted,

I am writing to you in regards to the Corrected Transfer Approval Notice that the Idaho Department of Water Resources (IDWR) mailed to you dated August 30, 2023. The letter and attachments described IDWR's action correcting a transfer approval, affecting your water right 11-7929 to correct the priority date.

On June 5, 2023 you filed a claim in the Bear River Basin Adjudication (BRBA) for water right 11-7929. The claimed date of priority does not match the department's corrected records. To update the claimed priority date, and Amended Notice of Claim to a Water Right is required. Attached to this letter is a copy of an amended claim that corrects the claimed priority date of 5/02/1864 to 5/01/1864.

If you would like to amend your claim 11-7929 in the BRBA, please sign and date the amended claim. Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information, and initial. If you do not complete the amended claim form, your claim will maintain the 5/02/1864 priority date and will be evaluated as such.

Please mail the completed Amended Notice of Claim back to IDWR, 325 E 600 Suite 300, Preston, ID 83263. If you have any questions regarding this or the previous letter, feel free to contact me. My telephone number is (208) 701-7200 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Rights Supervisor
