Welcome: Chairman Haws called the meeting to order and welcomed everyone to the meeting.

Procedure Changes: Watermaster Shippy explained the procedural changes he was proposing; it is about the private leases partly to address our new administration. This is to give us a little more of a formal format. USBR is reviewing the changes. Watermaster Shippy talked about the timing of payments. What Shippy would like to do is, any entity that wants the money as soon as it hits the bank account he would like to pay it back out. That way the district is not responsible for that money. Watermaster Shippy talk about the priority of assignments, it has always been July 1st. he proposes it change to June 1. Up until June 1st everyone would be pro rata. After June 1st all water rented in the order it was leased. Jim Standley would like it to stay on July 1st the way it has always been. John Hartman said this would make a smoother transition and you could still rent. Chairman Haws said we leave it the way it is for this month.

Storage Lease Commitments: Watermaster Shippy has not received all the commitments he was expecting. He sked if anyone has their numbers. Dick fisher stated farmers is 25k, Noble is 9947. Lower Payette is 9947, Carl Hayes stated that BCID postponed this decision until the June 20th meeting.

In-basin rental Applications:

Adjournment: Carl Hayes **moved, Stewart Russell seconded, to adjourn the meeting. Motion carried.**

Respectfully Submitted,

Chairman, Marc Haws

Recording Secretary, Crystal Russell
