RE: Change in Ownership Water Right No. 29-7799

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership or Additional Filing Fee:** Please review the map attached. There is a portion of this water right in the SWSW Section 23, Township 7 South Range 35 East, which does not appear to be owned by you. Please supply evidence of ownership of the entire place of use of the water right or supply the additional filing fee required to split the water right. An ownership change resulting in a division of the water right is \$100.00 per water right. The department has already received \$25.00 so if we split the water right an additional filing fee of \$75.00 is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

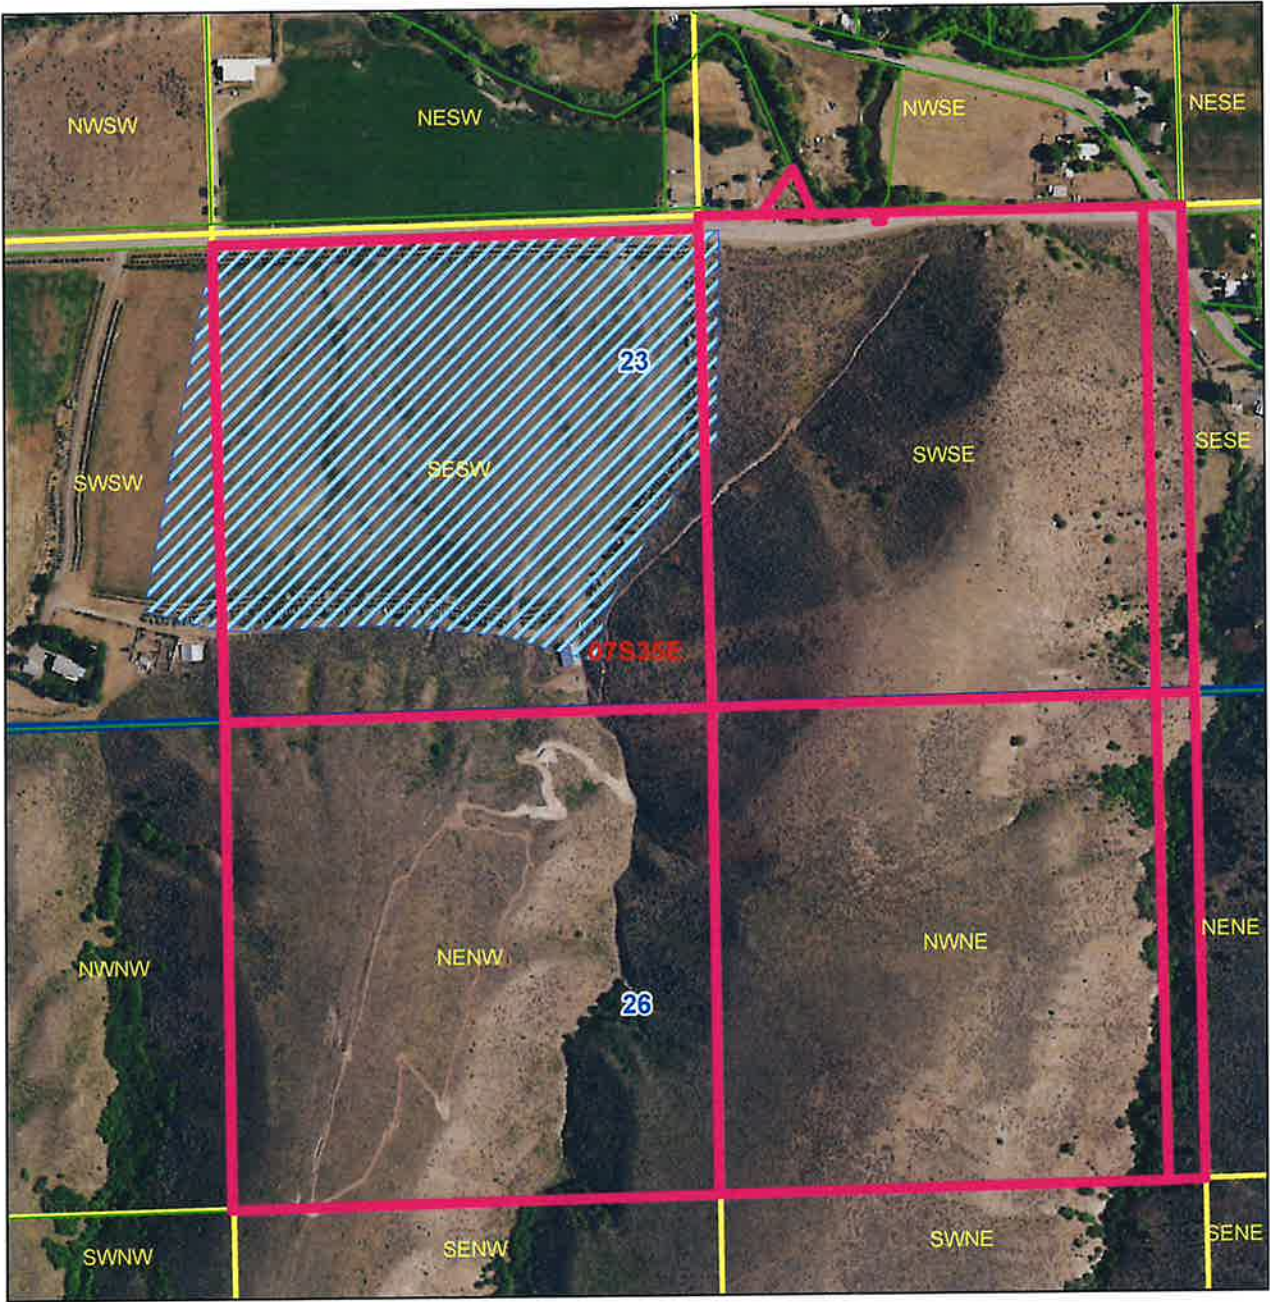

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
