RE: Bear River Basin Adjudication (BRBA) Claim # 11-7430

Dear Claimants:

The Idaho Department of Water Resources has received your Bear River Basin Adjudication Notice of Claims to a Water Right.

When your claim was being entered into our system, I noticed that the period of use on #6 was 12/16/1995 to present. This is not a proper format for season of use. Per administrative guidance, year-round use has been entered for your claim. If this is correct for your period of use then you do not have to make any changes. If it is not correct, please reach out to me to discuss this in more detail. I have enclosed a copy of your Notice of Claim for reference.

I have also enclosed a receipt for claim filing fees.

If you have any questions, please contact any of the Adjudication Staff at the Preston Field Office at 208-701-7200.

Sincerely,

Marion Beck
