AFFIDAVIT OF CAITLIN SKULAN
RE: OWNERSHIP UPDATE FOR WATER RIGHTS 63-33249 AND 63-33255

I, Caitlin Skulan, being first duly sworn depose and say:

1. I am over the age of 18.
2. I am a licensed attorney in the State of Idaho and represent GWC Capital, LLC ("GWC").
3. I make this affidavit in support of GWC's ownership update for water rights identified as 63-33249 and 63-33255.
4. I reviewed the place of use maps and legal descriptions contained in the Idaho Department of Water Resources files for water rights 63-33249 and 63-33255.
5. I compared the places of use for water rights 63-33249 and 63-33255 to Ada County parcel maps to determine all properties by Assessor's Parcel Number within or overlapping the places of use.
6. I contacted the Ada County land record's office and confirmed the property owner and contact information on the Assessor's online records reflect the documents submitted to the County Recorder's office.
7. I reviewed the Ada County Assessor's online records to determine the owners of all the parcels within or overlapping the place of use for water rights 63-33249 and 63-33255.
8. I compiled the ownership data in a mail merge spreadsheet attached hereto as *Attachment A*.
9. I drafted a form notice letter to all property owners within the places of use for water rights 63-33249 and 63-33255. The form letter is attached here as *Attachment B*. The notice advised the landowners that GWC is updating ownership of water rights 63-33249 and 63-33255.
10. On March 15, 2024 I caused a copy of the enclosed notice to be provided by US Mail to every landowner in or overlapping the places of use as identified in the Ada County records and as identified in *Attachment A*. The notice included a draft of the ownership update form, the place of use maps for water rights 63-33249 and 63-33255 and a copy of the quitclaim deed from the record owner of the water rights, M3 Eagle, LLC to GWC, LLC.
11. Following the initial mailing, I received 63 returned notices. I reviewed the Ada County's land records and confirmed the mailing information on the notices was consistent with County records. Of those returned 18 had complete addresses. I caused those 18 notices to be resent to the "Current Land Owner" at the address on record with the county. The parcel information for the returned letters resent to "Current Land Owner" are attached as *Attachment C*.
12. The remaining notices were for parcels listing incomplete addresses, but belonging to Hidden Spring Town Assoc. Inc. The Association was provided multiple notice at the complete addresses listed in *Attachment A* in the first round of noticing. The Association contact our office on March 19, 2024 regarding the notice, therein confirming receipt.

I certify under penalty of perjury pursuant to the law of the State of Idaho that the foregoing is true and correct.

DATED this 10th day of April, 2024.

To Whom It May Concern:

Schroeder Law Offices, P.C. represents GWC Capital, LLC in the above captioned matter. If you are represented by counsel, please forward this letter to your attorney with our contact information.

A copy of the draft Notice of Change in Water Right Ownership is attached.

No action is required by you for the Change in Water Right Ownership as a property owner within the place of use of Water Right 63-33249. However, we recommend that you contact IDWR or your counsel if you have any questions.

Very truly yours,

Re: Change in Ownership for Water Right No(s): 63-33249; 63-33255

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact us at (208) 334-2190.

Sincerely,

Marina Bozdog
Technical Records Specialist I
