SUBJECT: Rejection of Claim

Dear claimants,

The Idaho Department of Water Resources (IDWR) has received your Bear River Basin Adjudication (BRBA) water right claim. **The claim you submitted cannot be accepted.** We are rejecting and returning your adjudication claim for the following reasons:

- An **appropriate filing fee must be submitted** with the claim.
- The claim is on the **wrong form**. The form it is on currently is for when uses are less than 13,000 gallons per day.

Other parts of the claim are acceptable, but I noticed that they **may be incorrect**. I have included the instructions for the claim in the envelope to help you, along with a copy of the license you mentioned in the claim. Please also include a map of the houses being supplied with the "common green areas" that are irrigated. You may also call me if you have further questions or need clarification.

Please complete the form and provide the appropriate filing fee. The variable fee calculation is on page 10 of the instructions. Please return the signed claim form along with the required filing fee to our office, checks can be made payable to the Idaho Department of Water Resources or IDWR. The Notice of Claim, completed map, and fee can be mailed back to:
