Dear Troy and Chelsie Vance,

I am writing you to inform you of a Transfer of Water rights. When we sold you the property the water rights were transferred to my existing Water Rights on my farm. All the legal and proper procedures took place. An error was made involving a boundary and acre measurement. That needs to be corrected and the State Department of Water Resources is requiring me to write you this letter and get your approval. This has no effect to you on the house and property you own. I need a note from you approving this.

Thank you
