RE: POU location for Claim 95-8138

Dear Claimant(s),

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for municipal use of water from Coeur d'Alene Lake with a claimed priority date of September 25, 1981. A map depicting the place of use was not included with the claim. Although this claim was based on a previously issued license, the precise boundaries of the area served by your water association is not known.

We will move forward with the recommendation of your CSRBA Water Right claim once provided sufficient evidence to verify the current boundaries of the area served water by your association. **Please submit the required map within 30 days, referencing all documents with the corresponding claim number.**

If you have any questions or concerns, do not hesitate to contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
