Marion,

Please see the attached cover letter with information relative to the claims we are submitting. There's 28 claims in this group, so I've included a link to a Google Drive folder from which you can download them more efficiently. There's also a folder with GIS shapefiles for the irrigation rights. I have the shapefiles for all of the stockwater rights too, but because there are so many, I'd rather send those upon request.

A hard copy of the cover letter with a check for filing fees is going in the mail tomorrow, Wednesday October 9, 2024.

Let me know if you have any questions. Please confirm receipt and that the link works for you.

Thank you,
