1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Purpose of Use

2. Describe the changes you wish to make in the proposed recommendation:

Domestic use is for 1 home and 1 equivalent residence

3. Give a brief explanation as to why you disagree with these portions:

We recently extended water to living quarters above our shop/garage. So the Point of Diversion (private well) of this water right number now services both our home and shop/garage.

I AGREE with this proposed recommendation: no changes need to be made.
