MISSION STATEMENT:

This plot is a graphic display of the Bureau of Land Management's (BLM) Record of Title and Township survey data. Records herein do not reflect title changes which may have been effected by lateral movements of river or other bodies of water. Refer to cadastral surveys for official information.

The reduction is shown as a three-way repeated measures ANOVA, but may not be the effective data. See the historical index for the data or original with trend order.

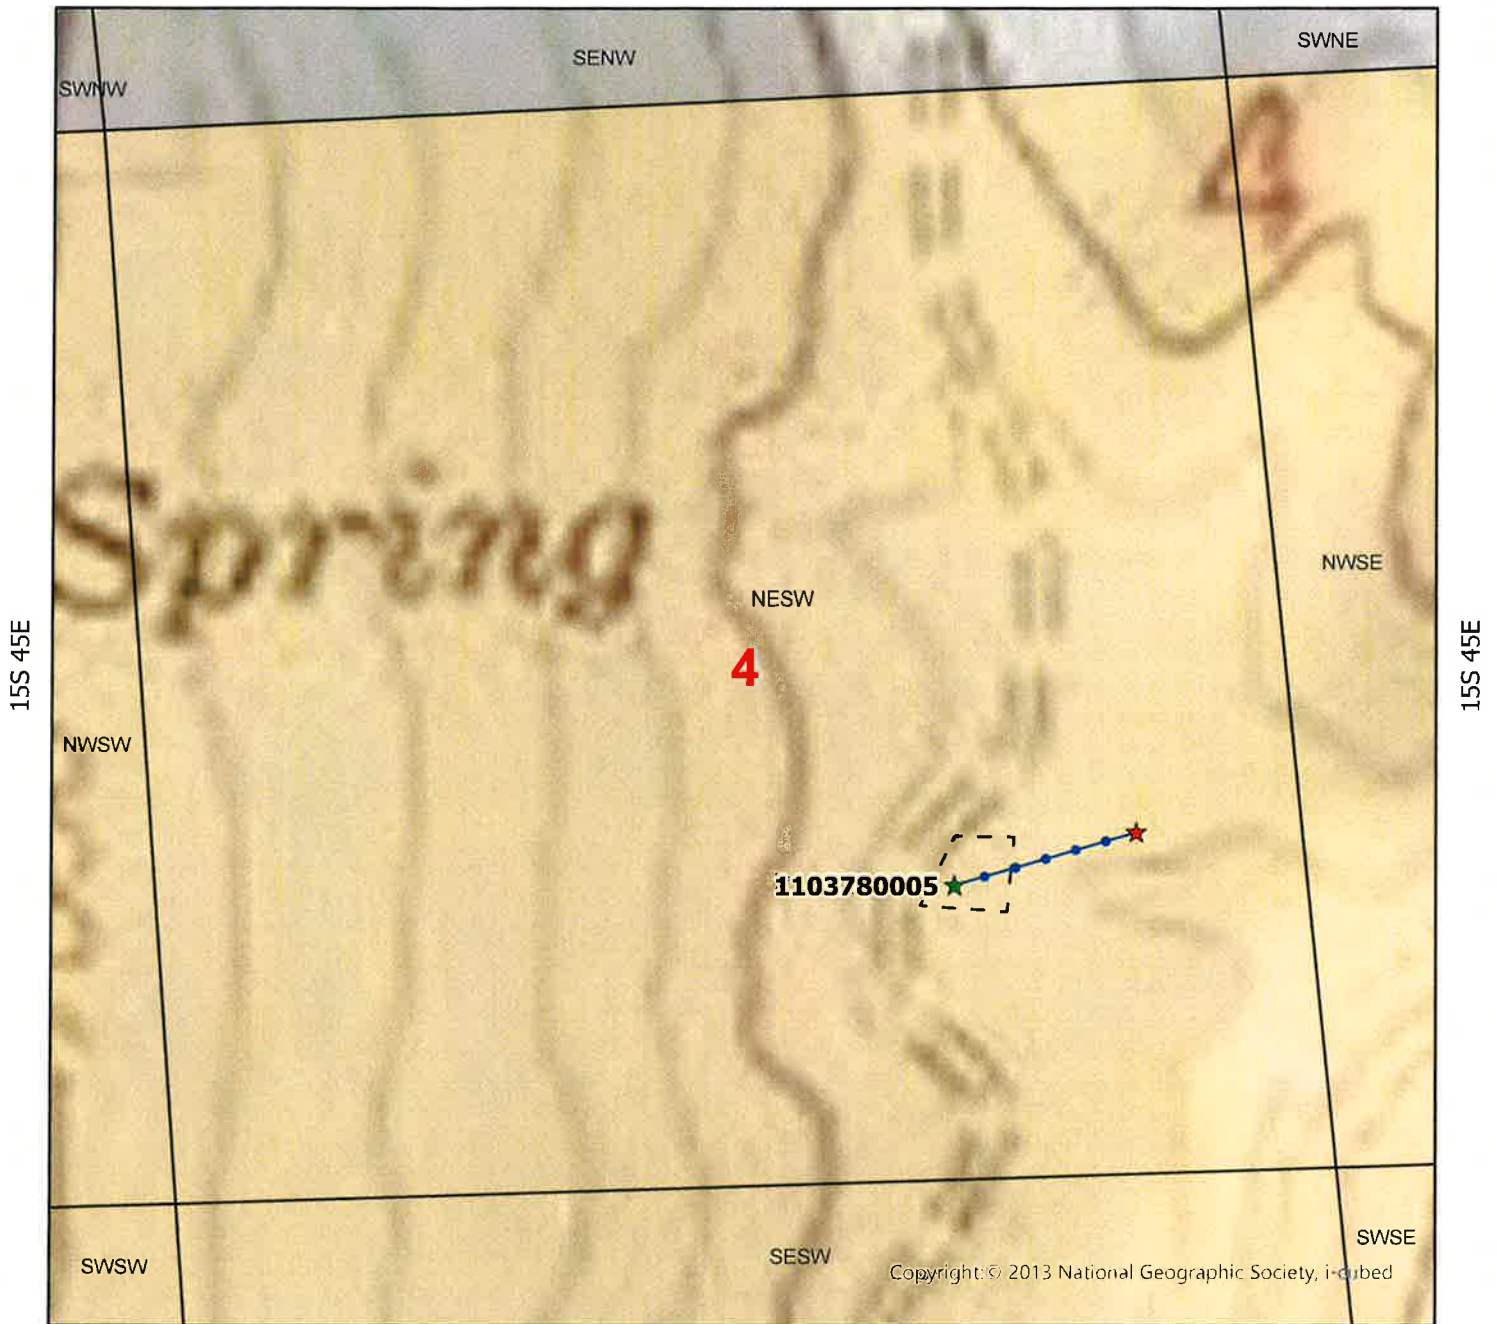

No warranty is made by the Bureau of Land Management. The accuracy, reliability, or completeness of these data for individual use or for purposes other than those for which they were collected is not guaranteed. The use of these data for purposes other than those for which they were collected is at the user's risk. The data are not to be used for any purpose other than that for which they were collected.

Approval of State Reclamation Engineer

The number of this permit is D 1009

Recorded in Book 3 Page D 1009 Approved November 23, 1953

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho, and hereby approve the same, subject to the following limitations and conditions:

Work to begin on or before Completed and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which the permit holder has no control.

Completion of Works and Beneficial Use of Water appropriated in accordance herewith, to be made on or before Completed

Witness my hand this 23rd day of November, 19 53

Mark R. Kulp

State Reclamation Engineer.

IN TESTIMONY WHEREOF, We, LEN JORDAN Governor of the State of Idaho, and IRA H. MASTERS Secretary of State of the State of Idaho, have caused this instrument to be executed in the name of the State of Idaho, and caused the Great Seal of the State of Idaho to be hereunto affixed, this 23rd day of November, 19 53.

Countersigned:
