Good morning, I am reviewing your water right claim to Priest Lake water for domestic use. The attached license has a priority date of January 19, 1977: You claimed October 20, 2021, for the same water right number. That priority date would be in violation of the mandatory permit statute for surface water of May 20, 1971. I have attached an amended claim with the same priority date as the license. If you agree with the change please sign the claim and return it to me. Please let me know if you have any questions.
