RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim 97-2007 & 97-2023

Dear Lofgren Trust and Campbell Trust:

The Notice of Claim to a Water Right identified above was submitted on October 16, 2023. However, the claim, as filed, is incomplete. Claims must comply with Section 42-1409, Idaho Code, and Idaho Administrative Procedures Act (IDAPA) 37.03.01.060. Section 2, Date of Priority, must be completed in order for the claim to be valid.

Per our phone conversation on October 17, 2023, we have concluded that filing a notice of claim is not required or appropriate due to the parcel being absent of a beneficial use of water. Therefore, the submitted notice of claim is being returned to you.

I have enclosed the original claim you submitted with us, as well as this form.

If you have any questions or need further clarification, please don't hesitate to contact me.

Respectfully,

Jared L. Klay
Water Resource Agent
