12. Remarks:

Priority Date Explanation:

This is when my grandfather purchased the property and began irrigating and use continues today.

This right mitigates for the depletion of water resulting from the diversion and use of water under Permit 13-8043. To prevent injury to other water right holders, the right holder shall cease diverting 0.02 cfs of this right from Mink Creek. If the mitigation portion of this right is used for any purpose other than conveyance loss, then water shall not be diverted under Permit 13-8043. If the mitigation portion of this right is not deliverable due to a shortage of water or a priority call, then the amount of water authorized for diversion under the uses of Permit 13-8043 that are being mitigated shall be reduced by the same proportion as the reduction to this right.
