Re: 63-11858 - Motion for Determination of Deferred *De Minimis* Domestic or Stock Water Use  
Examination fees

Dear Nicholas Drake and Rebecca Drake,

On December 20, 2021, the Idaho Department of Water Resources (IDWR) received notice that you filed a **Motion for Determination of Deferred *De Minimis* Domestic or Stock Water Use** for claim 63-11858.

I was reviewing the file for claim 63-11858 and see that IDWR submitted its "Notice of Examination of Deferred De Minimis Domestic and/or Stock Water Use" in connection with claim 86-12094, on January 19, 2023. It does not appear that IDWR has received the examination fee of \$100 yet.

IDWR cannot move forward to review the claim and prepare a recommendation for 63-11858 until the examination fee is received. For your convenience, I am including a copy of the Notice of Examination for 63-11858.

Respectfully,

Craig L. Saxton
