Re: 75-15065 - Motion for Determination of Deferred *De Minimis* Domestic or Stock Water Use
Examination fees

Dear William Kittrell,

On February 17, 2023, the Idaho Department of Water Resources (IDWR) received notice that you filed a **Motion for Determination of Deferred *De Minimis* Domestic or Stock Water Use** for claim 75-15065.

I was recently reviewing the claim file and see that IDWR submitted its "Notice of Examination of Deferred De Minimis Domestic and/or Stock Water Use" in connection with claim 75-15065, on May 23, 2023. It does not appear that IDWR has received the **examination fee of \$100** yet.

For your convenience, I am including a copy of the Notice of Examination for 63-11858. IDWR cannot move forward to review the claim and prepare a recommendation for your claim until the examination fee is received.

Respectfully,

Craig L. Saxton
