😊 My pleasure. I hope to continue here in Boise for some time. Thanks for working through the intricacies.

Have a good Thursday!

Matthew,

We were not aware that you were the only one in Boise, so I am going to go ahead and put your number in our contact information with notes for our records, in case there were ever any questions. I'm going to add the Denver number as a secondary, which makes sense to have since that seems to be your legal representatives.

Thanks for helping me to understand the best way to set the contact information.

Since there is only me in Boise this is a unique situation. Please do what works best for IDWR.

I have office space in the US Attorney's office which I utilize only as needed. There aren't more staff for ENRD (which is the division within DOJ that represents the land management agencies) in Boise. The regional office for ENRD is in Denver and that might be a good option

or if you want the more local route the USAO Boise Office but I fear the would just direct you to their civil attorneys if a water questions came up

Matthew,

Is there a general office number for the Boise office? I can add your cell number into the contact information, but we generally have an office number as the main contact.

Thanks.

Tyler & Matthew,

I'm going to leave our contact information for Forest Service the same, although I would like a current phone number for Boise, Fort St. office, if you could send me that I would appreciate it. We try to keep our contacts for most Federal records consistent, because if we update even a phone number, it effects all records through the system, which may cause confusion and it's best to keep it general with address filed on claim.

Also, Tyler you mentioned the name of the person you are replacing, but that is not the individual that signed these claims, they were signed by Kathryn Conant.

Matthew you may want to consider getting an updated NOA submitted to the Court, since one of the representatives has now retired.

Any further questions, please let me know. Thanks for your help in this matter.

Hi Lori,

I'm just starting in M'Leah's position. She may have filed these claims with her contact information. Matthew is with the DOJ, and I'm with the USFS. How can Matthew and I help update the contact information?

Thanks,

Tyler

Matthew,

We have had some questions concerning the address, phone number and Notice of Appearance for Forest Service claims filed in the Bear Adjudication. We try to keep our contact records to a minimum and not have to create new ones, but these claims have us a little confused.

The address on the claims is for the Fort St. address in Boise, but a Utah phone number is on the claims, we are assuming it's for the regional office in Utah. The Notice of Appearance lists three individuals with both Fort St. (regular mail) and Myrtle St (overnight or hand deliveries). As I stated, we try to keep our contact records to a minimum, and hesitate to add the Utah phone number with Boise address, and add the names listed on NOA.

If you could help us to figure out how we need to data enter these, it would be appreciated. You can email me or call me at 208-287-4909.

Thanks,

Lori Harris
