The well location is as the photo indicates. Leonard Parenteau You and your coworkers provided good information and I enjoyed the visit when the review was finished.

Good morning, I am reviewing water right claim 97-8043, for Mary Schetter (please see attached). We have identified what we believe is the location of the well. Can you confirm the location, or tell me where the well is actually located using the map below.

We met last summer when my coworkers and I visited your beautiful place on the river. Hope all is well since we last spoke.
