RE: Amendment of Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claims 95-9746 & 95-18251

Dear Sir or Madam:

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing CSRBA claims in your area. Kootenai County parcel data shows the properties claimed are owned by the MARY MARSHALL ANDERSON RANCH TRUST. It is recommended that adjudication claims are filed under the owner of the properties claimed so any ensuing water rights are owned by the same entity. Changing the name of the claimant before any water rights are decreed will reduce potential paperwork and required fees in the future if there is a need to have water rights in the name of the trust.

Amended claims have been created with the trust's name if you wish to put either claim into the MARY MARSHALL ANDERSON RANCH TRUST.

Enclosed is an AMENDED Notice of Claim nos. 95-9746 & 95-18251 . Please sign and date it and return it to IDWR's Coeur d'Alene office.

Additionally, agents from the Coeur d'Alene office will be contacting you to conduct a field examination in order for IDWR to verify the water right claims.

If you have any questions regarding this matter, please feel free to contact me at (208) 287-4813.

Respectfully submitted,

Scott Luvaas
