4. Point of Diversion:

Township	Range	Section	¼ of ¼ of ¼	Lot	County	Type
10S	40E	21	NW SW		CARIBOU	

5. Description of diverting works:

My understanding is there is a 40-50ft check structure with 3 large gates that allow water to continue through the river or divert it down to the Gentile Valley canal. Our water right has historically been diverted through this canal system. At our property there is a pump that pumps water through a sprinkler system. There is also two places in the canal where we place rocks/boards to divert water out for flood irrigating other portions of the property.

6. Water is used for the following purposes:

Purpose	From	To	C.F.S.	(or)	A.F.A
IRRIGATION	4/20	9/30	5		

7. Total Quantity Appropriated is:

Total Acres = 167

10. Do you own the property listed above as place of use? Yes

If your answer is no, describe in remarks below the authority you have to claim this water right.

11. Other Water Rights Used:

Approximately 1 foot of water though Lower Company is also used on this property, as well as 1/5th of North Burton and 1/2 Watercress.

12. Remarks:

Priority Date Explanation:

This is the date decreed and the irrigation use has continued today.

This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the place of use.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).

The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
