Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This right does not grant any right-of-way or easement across the land of another.

Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.

The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.

Domestic use is for culinary use at a recreation site and does not include lawn, garden, landscape, or other types of irrigation.

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 13A.

The domestic use authorized under this right shall not exceed 13,000 gallons per day.
