Priority Date Explanation:

This is the date decreed and the use continues today.

Diversion of water from Berquist Spring is limited to those times water is available for diversion under this right and priority from Cub River.

The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.

Use of water under this right may be affected by an agreement between the protestant and the right holder.

Use of water under this water right will be regulated by the watermaster of State Water District No. 13-A, Cub River.

Place of use is located within the City of Preston and surrounding service area.

Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the watermaster for measuring the flow in Cub River at the original point of diversion.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

Approval of Transfer 65886 does not grant any right-of-way or easement for use of a delivery system owned by person(s) other than the right owner.
