10. Do you own the property listed above as place of use? No

If your answer is no, describe in remarks below the authority you have to claim this water right.

11. Other Water Rights Used:

13-8463, 13-8465

12. Remarks:

Priority Date Explanation:

This is the decreed priority date and use continues today. Deep creek water goes into the bear river. From the bear river water is diverted into west cache and delivered to us. Most of the property is owned by RCP Properties. The western pivot land is half owned by myself, Sandra Weeks, and half owned by Wes Beutler (West Valley Farms).

This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 3.5 afa per acre at the field headgate for irrigation of the place of use.

Rights 13-8463, 13-8464 and 13-8465 when combined shall not exceed a total irrigation of 171 acres.

This right does not grant any right-of-way or easement across the land of another.

The quantity of water diverted from the Bear River under this right shall be limited the quantity of water available for diversion under this right at the original point of diversion on Deep Creek or the quantity of water entering the Bear River from Deep Creek, whichever is less.

The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).

Water is delivered through West Cache Canal.

Diversion of water under this right is limited to those times when water is available for diversion under the priority of this right at the original point of diversion from Deep Creek in the NWSE of Section 7, T15S, R39E.

Use of water under this right may be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.

Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the department for measuring the flow in Deep Creek at the original point of diversion and at the point where Deep Creek flows into the Bear River.
