RE: Change of Address for Water Rights No 36-12502 and 36-12976

Dear Mr. Hoffman: ?

A well application was recently submitted by your driller. I noticed your address is still in the old Route / Box form. If this is incorrect, an address change needs to be made to your water rights.

For an address to change on a water right, the *owner must submit the current address, signed and in writing* to the Department. I have enclosed a *Change in Address* form for you to sign and send back to the Department. Once it is received, the changes will be made to our records of the new address and future correspondence will be sent the current address.

Please note that Section 42-248, Idaho Code, requires you or the owner of water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter. (208)736-3033

Sincerely,

Carrie Hahn
