Re: Contact information for Water Right No(s). 37-23128, 37-23130, 71-7145

Dear Ms. Zweifel:

Thank you again for getting the name change documentation to me so quickly. I have updated our records accordingly to reflect the necessary name and address changes on the water rights referenced above. I have enclosed a computer-generated proof report(s) for your reference.

While processing this paperwork, it was noted that one of your water rights (located in Custer County) is currently in your name as well as David Mc Donald's name. In order to update this water right, a Notice of Change in Water Right Ownership will need to be filed, along with a copy of the legal documentation to reflect the correct changes. If David retained that property, he will need to file the paperwork to remove your name from the water right. If you retained that property, you'll need to do the same process to remove his name. I have enclosed the necessary form, for future use.

If you have any questions concerning this information, please feel free to contact me at (208) 736-3033.

Sincerely,

Denise Maline

Subject: Name and address updates for water right records

Dear Rain,

My name is Denise and I work for Idaho Dept. of Water Resources in Twin Falls. I received your Change in Address paperwork a couple of days ago. This paperwork also indicates you have changed your name back to Zweifel. You had included a copy of page 7 of the divorce decree confirming the name change; however in order to process this name change, we need a copy of the *entire* legal document. Could you please send me a copy of the full document (all pages)? This will ensure the water right records getting updated correctly. I would greatly appreciate it. You can e-mail it to me if that is easiest: denise.maline@idwr.idaho.gov

Please feel free to call me if you have any questions. (208) 736-3033

Thank you in advance and have a good afternoon,

Denise Maline, IDWR Twin Falls
