MEMORANDUM

Date: October 22, 2024

To: Water Right No(s). 37-10165 & 37-22879

From: Denise Maline, Southern Region

Subject: Contact and ownership information on water right records

The department received a Change in Address from Nancy Davies on May 1, 2024. There was a notation from Mrs. Davies that her husband, B.R. Davies, passed away in 2017. It was also noted that the form was not signed by Mrs. Davies. Upon initial review of the contact database, it was discovered that the information on file matched the form she submitted, other than a cell phone # and e-mail address. The cell phone # and e-mail have been added to the database.

On October 17, 2024, I sent a letter to Mrs. Davies with information on how to remove her late husband's name from the water right record, if she chose to do so. On October 22, 2024, she contacted me to say she chose not to remove his name. She also said that she sold the property to a Mr. Rasmussen but did not know how to contact him. I told her I would attempt to contact the new property owner and have them file a Change of Ownership.

After reaching out to Camas County Assessor's office to inquire about the new owner's contact information, they clarified that Mrs. Davies still owns and lives at the property associated with water right 37-10165; however, she had sold a different property associated with water right 37-22879. They indicated Mrs. Davies may have been confused, as the subdivision names are a little bit similar.

On October 22, 2024, I sent a letter and Change of Ownership form to the current property owner for 37-22879. Information obtained from Camas County: Colton Rasmussen, 349 Oakshire Pl, Spring Creek, NV 89815.

Re: Change in Ownership for Water Right No(s): 37-10165

Dear Mrs. Davies:

The Department of Water Resources (Department) acknowledges the receipt of correspondence indicating that B.R. Davies passed away in 2017. In order to update our records and remove his name from the water right record, you will need to file the enclosed Notice of Change in Water Right Ownership.

Please complete the form and return to this office with a copy of the death certificate within sixty (60) days of the date of this letter. *Please note, there is no filing fee required to remove his name from the water right record.* If you do not wish to remove his name at this time, no further action is required from you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
Administrative Assistant 1
