Re: Current Ownership for Water Right No(s). 45-77Q and 45-78H

Dear Ms. De Long:

Thank you for your correspondence regarding the above referenced water rights. Hopefully this will answer some of your questions regarding the land associated with the water rights. These water rights are currently in the name of Hugh Peterson, Cherie Peterson, and Jonae Christensen, which I am assuming is you. The address of the property is 320 W Poplar, Oakley, Idaho. Enclosed is additional information for your reference.

After further research, it was discovered that you may no longer own or have any interest in this property or these water rights; and the ownership may need to be updated. In order to update our records to reflect the correct ownership, the Peterson's will need to file a Notice of Change in Water Right Ownership to remove your name. I will send them the information to update the records, in hopes of clearing up this matter.

In the meantime, I will update your mailing address in our records. Thank you in advance for getting back to me on this matter. If you have any questions regarding this letter, please feel free to contact me at (208) 736-3033.

Sincerely,

Denise Maline
