Comments:

1 kchrste 6/7/2001 noe filed

Mr Anderson filed a notice of error and identified approximately 9 acres that has been under the barker ditch system but was not recommended. After reviewing the maps and visiting with him, I am changing the place of use to include those acres and modifying any remarks as needed. The claimant is also intending on filing a transfer to further modify the place of use to recognize a center pivot that is uphill from the barker ditch.
